## Bank Of Pahokee Adds To Deposits In Its New Home

Twenty-seven Year Life Highlights The Glades Activity

In '23 an early start for 3 a.m., a chug-chug in a boat from Pahokee to Canal Point, and down the West Palm Beach Canal to West Palm, a distance of about 60 miles, would allow a Glades resident to get into "town" before the bank closed on Tuesday. The same trip to Lauderdale took as long.

Dr. W. H. Lutz, Carl Hall, Frank Friend, O. B. McClure, Dr. D. L. Spooner and others set out to remedy this situation for the pioneering Glades community. A bank was organized at Pahokee, with only one of the credit having any considerable experience running a bank—Dr. Lutz. Additional local stockholders combined to get \$15,000 capital and through E. K. Kilpatrick from Marianna where he had bank training.

Home's Vivian and Carl Bruner were others of the original stockholders.

The first year saw the high peak of about \$200,000.00 in deposits, and loans made on the basis of life, honesty and opportunity.

The boom of '23 was sidestepped by the Board administering promises of large returns on borrowed money received with a "no-hum-no" Doc Lutz. A grass-roots saying that probably influenced the novices on the Board, which goes like this: "If you follow a man-around team you'll find it piled up alongside the road somewhere."

He felt that economic conditions in South Florida were similar to the "run-away team" and he was sure he'd find it "piled-up"—so did not participate.

"It's here home and get it," was the attitude of Lutz towards deposits during the period when Florida banks were trying to "pile" the "run-away team."

Following Roosevelt's moratorium, from Monday's moratorium to Sunday's moratorium was taken contrary to the advice of the State Banking Department.

The confidence of depositors, allowed the Bank of Pahokee to survive—both credit and money to lay-down remains THE OLDEST BANK IN PALM BEACH COUNTY.

In 1932 Harry McIntosh and his associate, Mr. Crews of Arcadia, consummated the purchase of a majority of the stock of the bank, with the deposits around \$100,000.

As a sensitive thermometer of the financial fever of the Glades the Bank of Pahokee checks reliably with other activities in the community.

From deposits of \$250,000 in '22 to deposits of \$3,600,451 in '49—27 years—in is almost 30 times.

During the past twelve months the bank's deposits have grown from \$4,192,658.51 to \$5,690,451.38—better than 30 per cent.

## Parents To Do A Little More Home Work On Kids

In a move to cut down night juvenile delinquency, the City Commission, decided to adopt a curfew ordinance in Moore Haven. Parents did not like the idea and opposed the move, and the law was not passed. Parents went on record that they would do a little more parental training and punishing for this juvenile offending.

Frank Year, who has been a member of the Moore Haven city commission has announced that he will not be a candidate for re-election at the coming city election. Too much other work to do.

## New Car Glass Broken At A Beach Picnic

To celebrate the ownership of a new car, the Sedan, the City Commission, decided to adopt a curfew ordinance in Moore Haven. Parents did not like the idea and opposed the move, and the law was not passed. Parents went on record that they would do a little more parental training and punishing for this juvenile offending.

Dr. W. H. Lutz, Carl Hall, Frank Friend, O. B. McClure, Dr. D. L. Spooner and others set out to remedy this situation for the pioneering Glades community. A bank was organized at Pahokee, with only one of the credit having any considerable experience running a bank—Dr. Lutz. Additional local stockholders combined to get \$15,000 capital and through E. K. Kilpatrick from Marianna where he had bank training.

## Demonstration Of Refrigeration And Deep Freeze Units

House wives of Belle Glade and trade area are to be beneficiaries of a party which the Glades Appliance Corporation, will have at the home of Miss Jeanne Hall, on this Friday night, July 15, at 8 o'clock.

At this time Miss Jeanne Hall, a nationally famed home economist, will be present.

## MISS JEANNE HALL

omist and frozen food specialist, will be present to show and teach how luxury meals at low prices can be served in homes where modern refrigeration equipment is used, which includes refrigerators and deep freezers.

Miss Hall will give information concerning many of the problems of the home, such as preparation and meal planning that pay off in greatly reducing food costs.

She will say that a week's supply of food, baked goods are better after refrigeration, and that baby formulas can be made in large batches and kept fresh and healthful under proper freezing conditions and that frozen foods contain more vitamins than the fresh foods, and that sea foods, especially oysters, can be kept the year round from fresh.

The company's sales force will be willing to inform inquirers of the manner of work of the large selection of Home Appliance equipment which will be on display on this evening.

Louise for many years has been connected with the Library force at the Woman's College in Tallahassee for several years. She has resigned her position there to take up similar work at the University of Miami the coming year.

## Charles S. Leonard Dies In Hospital

At Winter Haven

The many Belle Glade and Glades friends of Charles S. Leonard, aged 44 will regret the loss of his death in a hospital at Winter Haven, on Tuesday, after a brief illness.

Leonard for many years was engaged in the farm machinery and automobile business in West Palm Beach. He was a time manager for the Coastal Truck and Equipment Company's agency in Belle Glade about two years ago, to engage in the flower culture business in Winter Haven, and for the past year had been the Winter Haven agent for the Lincoln-Mercury line of automobiles.

Mr. Leonard was a native of Ohio, and was educated in this college, but came to Florida with his family. He was a member of the Elks lodge in Winter Haven; and was a member of that lodge and the Lions club while a resident in Belle Glade.

## City Not To Cease Working For Good Safety Conditions

Inspector's Department Sends Official Notice To Numerous Property Owners

Checking up on building permits for the month of June, Inspector "Buddy" Willis, noted that \$122,000.00 of new business or repairs were sanctioned. He is expecting this record to be passed in July, as there is several new projects which are in the wind, which if sanctioned and started will be in large figures.

Since the present Commission back, backed by the State Home Commission and the State and County Boards of Health, working for a safer and better and against fire and disease, working under Inspector Willis, great improvements have been made in rooming houses, tenements, stores and apartment houses, and to date quite a few property owners have been compelled to make repairs and install modern sanitary fixtures.

Some of the owners served with legal papers from Police Court, and the Commission, have been ordered to make repairs. Those who have not complied will not get state or city licenses to operate their place of business.

## Star Airplane Special Delivery For State Cities

The day may not be far distant when many of the smaller cities of Florida, will be having direct air mail delivery service, parcel post and other mail matter.

The California-Atlantic Airlines, a large corporation, is now negotiating with the Post Department, for such service in Florida. This company with a fleet of large cargo planes hope to enter into a contract to this effect, and if successful Belle Glade is one of the towns to be served in this out-going mail service.

The city will be Jack Brown, Miami and St. Petersburg, and the planes will serve the town.

## City To Assist In Establishing Child Health Clinic

The session of City Commission, Wednesday night, developed into a real session, as there were numerous persons and delegations present to discuss the health of the city fathers, on projects which they desired to present.

Mrs. R. V. Allison acted as spokesman for this children's health unit group, and in her talk she informed the Commission of the aims and purposes of the movement, which is to organize, institute and provide continuous services for Glades children in a special clinic to be set up at the Memorial hospital, under county and city health officers.

This movement is one which will mass all the humanitarian work now being done by the city fathers, on projects which they desired to present.

Mrs. R. V. Allison acted as spokesman for this children's health unit group, and in her talk she informed the Commission of the aims and purposes of the movement, which is to organize, institute and provide continuous services for Glades children in a special clinic to be set up at the Memorial hospital, under county and city health officers.

## Survey Shows That Women Do Most Of The Phone Business

Recently the American Telephone and Telegraph Company conducted a nationwide survey in connection with the usage of long distance telephone service in various cities.

In Glades, in determining the relative value of long distance service in the average home, the survey revealed just about everything else related to the use of long distance service—what makes them, what he or she talks about, for how long, why they call in the first place.

Answers to questions were obtained from 3,800 people in 27 cities and towns throughout the country.

## Boy Located Who Mutilated The Bodies Of Dogs And Cats In This City

Several months ago police found a number of dumb animals lying dead around city dumps, mutilation and cat throats. Chief Goodlett and Deputy Sheriff Gross had a group of lads up for an interview on some other law infraction work, and unwittingly one had "spilled the beans" and told about the cruelties inflicted on Canines and felines. The accused 15 year old kid confessed his crime, stating that he did it for the fun of it. It was brought out that he possessed a cruel and sadistic mind. The kid was turned over to the Juvenile Delinquency court at Palm Beach, and Judge Robbins sent him to the Children's home officials. This lad is alleged to have been in other delinquency and a ring leader of a "gang" of youth who have done considerable filching and property damage about the city. Crime in the case, Civic organizations offered around \$250 reward for the apprehension of this culprit.

## Convention Of War Veterans Held At Clewiston, Sunday

The quarterly meeting of the Veterans of Foreign War of the 11th district was held at Clewiston on Saturday and Sunday with the Clewiston Post and Auxiliary as the entertaining hosts.

Only one social evening held on Saturday, but on Sunday, both bodies held business sessions. In the afternoon a barbecue was enjoyed and the delegation witnessed the baseball game between Lake Worth and the Sugarlands, which was won by the former.

## National Moose Officer To Visit Here Sunday

Belle Glade Lodge, Loyal Order of Moose, on Sunday, July 17, will have an official visit from Robert Irvin, regional director of eight southern states, and Frank Ray, state director. Those who have not complied will not get state or city licenses to operate their place of business.

## Plans For Child's Clinic Progressing

The Children's Clinic Commission, sponsored by the Hospital Improvement Committee held a meeting on Thursday morning, discussing plans for the clinic.

Dr. Burton Austin, director of Palm Beach County Health and Mrs. R. V. Allison, state director, were present.

A feature of the convention was the organizing of Cootie Club, play organization, under the leadership of Mrs. R. V. Allison, of Belle Glade, and Chuck Johnson, of Belle Glade, were made Commander and vice-commander.

## Air Plane Takes Head Dive While Off Course Seeking Miami Port

A large Beechcraft air plane, with pilot and three passengers, dug its head into the soft mud near the new colored school house area, making a forced and blind landing.

The plane piloted by an American with three Puerto Rican passengers, had set off from the Island for Miami. The pilot, who was not a pilot, had been told that he had flown to Key West and there got mixed up on his beams, getting into the mud.

That he flew over the Ft. Pierce river, and then became lost, in addition to finding that his tanks were about out of fuel, and that he was in need of replacement.

Fortunately none of the plane's passengers were injured, and the plane escaped serious damage. The passengers went on to Miami by car, while the pilot remained here to guard and care for his plane.

## Junior Deputies Leaving For Camp

A group of Junior Deputies will leave for camp Tuesday for Lake Okechobee where they will camp for four days. Twelve boys will make this trip and will be accompanied by Sgt. Louis Funk at the Police Station. He will furnish detail as what each boy is to take.

The group will leave at 10:30 Tuesday July 19th from the City Hall by transportation furnished them, and will return on the following Saturday.

The Camp has the use of the Junior Deputies of this county, located in Denver St. Charles, director of the Optimist's Junior Deputies League.

Outdoor sports, fishing, swimming and boating will be enjoyed and a full program is planned. The group will be supervised by the benefit of boys who are unable to go at this time will be able to go.

Boys from 12 to 17 years of age are eligible to join the Deputies and may camp. Sgt. Funk will accompany them.

Weekly judo classes are being conducted on Thursdays at 8:30 in the High School Gym by Sgt. Funk.

## Constitution Of War Veterans Held At Clewiston, Sunday

The quarterly meeting of the Veterans of Foreign War of the 11th district was held at Clewiston on Saturday and Sunday with the Clewiston Post and Auxiliary as the entertaining hosts.

Only one social evening held on Saturday, but on Sunday, both bodies held business sessions. In the afternoon a barbecue was enjoyed and the delegation witnessed the baseball game between Lake Worth and the Sugarlands, which was won by the former.

## Cattle Auction Market Is Definite Goal Of Resource Board's Sponsorship Here

Thousands Paid To War Veterans In Compensation

This Bonus Money, Likely To End With The Month Of July

Almost \$400,000 have gone to unemployed veterans in the Belle Glade area under the Readjustment Allowance program from July 1946 through May 1949, according to the figures of the Florida Industrial Commission, Inc., in the Belle Glade area are the west half of Palm Beach County, Glades and Hendry Counties.

The Commission has served as agent for the payment of veterans readjustment compensation since the program was inaugurated in the fall of 1944. However, county data on claims was not kept prior to 1946.

In 1947, a survey of the estimated 250,000 Florida veterans this program will end on July 31 of this year, unless extended by Congress. The G. I. Bill now states that no veteran may draw a readjustment allowance more than two years after the end of his war, whichever comes later, the date of discharge or the date of the last day of service.

While county police officers have had a watchful eye out for Dunning, he had never been apprehended. Deputy Sheriff Gross recently picked up a clue that led to the arrest of Dunning, who was picked up in Philadelphia, by the FBI. Sgt. John Kirk's office will bring Dunning back to West Palm Beach, to face the law. Dunning had been in the military service, in which it is thought he may have some direct and interesting information.

chobee, Dave were all largely patronized drawing patterns from all over the state.

soon to leave for his annual vacation in Georgia, is taking along his fishing tackle, for use on some of the waters where he fished in his boyhood days. Those Georgia fish are likely to find that they are battling

against an expert angler, for fishing is right down Alva's lane. High waters killed his fishing last season.

Billy Crider took his softball team to Okeechobee, last Wednesday night, for a game with a local team. It was a wild and woolly contest, with much hitting and many errors, in which the Belle Glade boys came out ahead by a score of 25 to 13. Billy's lads were a bit too spry for the older men's team of the town.

Checking up on church improvement investments in Belle Glade shows that more than \$150,000 will go into new structures this year. The Methodist, Baptist, Presbyterian, Catholic and two colored church have new church building projects under way. These new buildings should give all the churches ample and spacious housing for their religious work.

Farmers of the Glades area the past 12 months have made large investments in new trucks and farm equipment for the carrying on of their work. More autos sold out here than on East Coast.

The Shrine club of West Palm Beach got generous the past week and presented to the Children's Home, beds and mattresses enough to equip the sleeping rooms. The Shrine bodies are noted for the good work they do for our homeless and crippled wards.

Billy Weeks of the Glades Appliance Corporation, is staging a deep freeze demonstration today, which ought to bring out a flock of our housewives. Billy will sell up any other similar program that has been presented in the Glades.

There are few people in the county who know that rice is successfully grown out here in the Glades. For several years past patches of rice have been grown on the prison farm, with good yields. It is now rice harvest time at the farm. The rice is there now, being sent out to state institutions. The past year in excess of 150,000 pounds of dried beans have been grown and prepared for table use at State institutions.

Over in a hidden location in the Stuart section, H. C. Bishop, a special writer for the Stuart News, states that there is an unusual mechanical wizard and an industrial plant which is turning out unusual mechanical products. The wizard is Clair L. Gilson, and his product is all types of slide rules, of his own invention and design, no other firm exists that manufactures such tools as he produces. The Government and the largest of industrial corporations are patrons of his unique business, which are made in most any type shape or angle.

As a result of state legislation the Okeechobee Flood Control District, which came into being some 20 years ago, after the 1926 and 1928 hurricane floods, died a legal death the past week.

This organization in the heyday of its activity was a very important commission, for it had the administration supervision of the building of the lake dikes and the Caloosahatchee and St. Lucie canals. Army Engineers were in charge of all the construction work which cost the Federal Government around \$25,000,000 before all work was completed. When the fleet of big power dredges were digging rock and sand from the lake for the dike embankment, the lake region was indeed a busy place. Money, liquor, gambling and fights ran rampant in that period.

Some years after the original dike was built, engineers found that the dike from Fort Mayaca to Bacom Point was eroded and somewhat weakened, as a result of the 1928 storm, and the Government decided to raise the elevation and strengthen the dike structure. Again big hydraulic machines came into the lake to do this work and for more than a year there was again activity along the lake shore lines.

Subsequent storms have shown that the dike could hold safely against most any type of unforeseen storm might and force.

At this point the Okeechobee Flood Control began to ease out of the picture and its activity, and while having offices in West Palm Beach, for months business has been of a very slow nature, practically all its business closed.

Under this situation it was comparatively easy for the district to be eased out to be engulfed in the greater flood control project.

Its value in the past will always be a record of the Government Engineers, as well as held in memory of the Glades citizens as a protective operating commission.

President Herbert Hoover, a noted engineer in his own name, came to the Glades to survey

the flood and hurricane damage and wreckage, and was a potent power in getting Congress to approve the entire lake dike project, which has meant so much to the lake area development.

The present pending Flood Control project is the second time the Government has come to south Florida to aid in saving its known and potential riches. What will be the situation ten or twenty years from now?

The new tuberculosis sanatorium, which is under construction at Lantana, got a financial aid the past week, when the State Board of Control, unloosed the purse strings, and gave it an additional million dollars to keep construction under way. This institution will be a 450 bed hospital, which should give much relief to South Florida people needing institutional care and support.

A lot of our local fishermen are taking over fly rod fishing and report getting much sport out of it. A frisky blue gill or shell cracker can give an angler plenty of pole and line action. Others are going to salt water for their angling, since the denizens of the big lake, are not coming to the lure. West Palm Beach, Stuart, Ft. Myers, Everglades City and the Keys are favorite fishing spots for our Isaac Waltonites.

Coach W. H. Cooke, transferred from Belle Glade to the Lake Worth school, as athletic director, went back to his old Alma Mater, Murray's Teacher College in Kentucky, to get his assistant coach, who will be Dave Carlisle, a war veteran. He will be in charge of the Trojan basketball squad the coming season.

See where some 200 Central Florida youths have been taken to Connecticut, to help harvest the tobacco crop of that state. Looking forward to get some of that "dam-Yankee" money for educational purposes.

The month of June will show that there have been building permits issued which call for more than \$100,000 new construction work in the city, in the way of churches, business blocks, and several mighty fine private residences. In discussion

possible growth of the city, an expert in such estimating, stated in his opinion, that the city could expect about a 50 percent growth in the next five years, and a like increase in the following ten years. That may be a bit optimistic but even the most pessimistic people will need to admit that the city will have an excellent expansion during that period. Prospects indicate a good growth. With building costs coming down, labor wage reductions and other favorable features more building will be done.

Mrs. Spottwood Burr, is quite adept in floriculture, and she has the rooms of her home well filled with beautiful flowers. Her hobby is raising of orchids, of which she has quite a variety.

The commercial fisherman of the St. John's river section are so optimistic that the state

survey will be in their favor, that a half dozen firms have tendered money to the State Game and Fresh Water Fish Commission, to carry on the survey work at full capacity, in order to get it over with for a decision. The Commission is as yet puzzled whether to accept or reject the tender of assistance. Survey crews working on Lake Okeechobee have been reduced in numbers and personnel.

The manner in which local civic clubs have provided furnishings for the Dr. W. J. Buck memorial room at the Belle Glade Memorial hospital, shows the appreciation and good will of the public toward this man of medicine and surgery through so many years of Glades progress. Any patient that may be assigned to that particular room sure will have comfortable quarters during their hospitalization period.

Open Wednesday and Saturday Afternoon 1100 Southern West Palm Beach

SOUTH BAY  
BEAN CITY  
LAKE HARBOR

Mrs. Walter Bouton and father, Wm. Mason of Orlando are here visiting her son and daughter-in-law, Mr. and Mrs. Le-lard Hardy, for a week.

Mr. and Mrs. Glenn Hess, daughter Margaret, and Mrs. Edna Eckman are returning this week from a vacation visit with relatives at Perryopolis, Penna.

Carol Jean Ward, Jackie Mul-chier and Barbara Jean Willis are attending 4-H Camp at Camp Osborn this week.

Johnny Lamoureux, S. 1/2, left Thursday for his base Nor-folk, Va., after a month's leave at home with his parents, Mr. and Mrs. A. N. Lamoureux.

Mr. and Mrs. W. H. Rawle, formerly of South Bay now living at Charleston, S. C., and daughter Miss Betty Rawle are on an auto tour during which they will visit points of historical interest in the middle and

far west. They plan to visit Millage Hardy and family in California and return via Texas and Mexico.

Mr. and Mrs. R. S. Donaldson have gone to Washington, D. C. to visit her daughter and son-in-law, Mr. and Mrs. H. L. Reynolds. They will also visit in Pennsylvania and Canada before returning home in November.

Mr. and Mrs. M. J. Hardy have returned from visiting their son, Ray Hardy, an aviation cadet in Texas.

Mr. and Mrs. T. E. Weatherly are visiting Mr. and Mrs. Billy Jeffries at Gainesville for a few days. Judy and Tommy Weatherly are visiting their grandparents, Mr. and Mrs. W. M. Jeffries in the interim.

Mr. and Mrs. J. E. Jackson and children have returned to South Shore Plantation from a two weeks vacation visit with relatives in Georgia.

Mr. and Mrs. Eddie Holt, Dallas, Texas, have returned from a visit with relatives at Childersburg, Ala., and points in Georgia.

J. E. Henderson returned to Pratt General Hospital at Coral Gables last week for further treatment.

Mr. and Mrs. Alfred Vadasz, Karen and Karol spent a recent week end at Key West.

Mr. and Mrs. Wade Knight who have been visiting their niece, Mrs. Elizabeth Roberts and family, left Tuesday for their home at Granville, E. C.

Mr. and Mrs. C. B. Higginbotham have returned from Georgia where they were called early in June by an accident to his mother who fell and broke her hip. Mrs. Higginbotham has been taking care of her during her confinement to bed.

Hester-Barnes Nuptials  
Social Event At  
Lake Harbor Church

Miss Imogene Hester became the bride of Jesse Barnes on Sunday at the Lake Harbor Baptist Church at 3 o'clock. W. P. Brooks, former pastor at Lake Harbor, now of Boynton Beach.

The church chancel was charmingly decorated with fern, red and white carnations, with baskets of white gladioli and tuberoses.

Miss Eva Brooks played nuptial music as a prelude to the service. Miss Elizabeth Barnes, cousin of the bride-groom sang, "I Love You Truly" and "Be-cause."

The wedding party entered to the strains of the Wedding March by Mendelssohn. The bride was given in marriage by her father Elbert Hester.

The bride wore a street length white organza frock with all over lace blouse, a white flower trimmed hat with pink veil and a lavender orchid corsage.

Miss Betty Hester, sister of the bride, was maid of honor. She wore a pink organza frock with a gold belt white bandeau with veiling and flower trim and a corsage of tuberoses.

Donald Barnes, brother of the bride-groom, was best man. Ted Davidson, friend of the bride, James and Robert Weeks, cousins of the bride-groom, served as ushers.

Mrs. Elbert Hester, mother of the bride, wore a pink crepe afternoon dress, white hat with black veil, a white rosebud corsage and white accessories. Mrs. A. B. Barnes, mother of the bride-groom, wore a light blue silk frock, white hat with black velvet trim, white rosebud corsage and white accessories.

Following the ceremony, a reception was given at the home of the bride's parents. A three tiered wedding cake topped with a miniature bride and groom centered the center of the bride's table. Mary Jo Davidson and Eva Brooks poured and Claude Chambers served the cake. Letha Stacy had charge of the bride's brook.

A microphone recording was made of the ceremony by Ray Barnes of Lake Harbor, uncle of the bride-groom and a permanent record will be preserved.

The bride is the graduate of the Belle Glade High School with the class of 1946. She has been employed at the Okeechobee Sugar Coop for the last three years.

Barnes has lived practically all his life at South Bay and attended the South Bay and Pahokee Schools. He is associated with his brother in the cattle transportation business.

The young couple after a motor tour of the points of interest of Florida will be at home at their new home, formerly the Marvin Miller home on Boles Ave.

Mrs. Larimore Addressed South Bay Club

The Women's Home Demonstration Club at the school

Thursday afternoon and heard a very interesting talk by Mrs. Helen Larimore, public health nurse stationed at Ocoosa Labor Camp.

South Bay Will Hold Its First Tax Sale

The South Bay Town Council, after hearing a report that 25 percent of the real estate taxes and 12 percent of the personal property taxes had not been collected, decided to hold a tax sale on Thursday, September 12 at 12 o'clock noon at the front door of the Town Hall.

Property owners are urged to pay up all delinquent taxes to avoid the extra costs entailed by having the property sold for taxes. A list of all delinquent real estate taxes for 1947 and 1948 will be posted at the Town Hall on July 15.

The Town Council will sit as a board of equalization on Wednesday August 3 at 8:30 p.m.

and all property owners who are not satisfied with the valuation placed upon their property may bring the matter before the board of equalization at that time.

South Bay Baptist To Hear Distinguished Speaker

An interesting and informative program will be presented at the South Bay Baptist Church on Monday, July 18 at 7:30 p.m. in the form of a lecture entitled, "The Jew The Arab-And Palestine," by Dr. James S. Day, Jr., pastor of the Southside Baptist Church at Lakeland.

The lecture will be followed by a color 16mm moving picture film of the Holy Land taken by Dr. Day personally during the summer of 1947 when he was one of a limited few granted the privilege of travel and taking colored pictures by the British. The picture to be shown is thought to be the most recent color film taken of that war torn land. The picture of the Dome of the Rock, former site of the Temple, was obtained on special permission of the High Mufit of Jerusalem. Some 45-500 people have witnessed this picture in the last year.
